

RAID 2001 Symposium

**October 10-12,
Davis, CA**

Ludovic Mé / Wenke Lee

RAID 2001: 4th RAID Symposium

➔ Three tracks for proposals

- Full papers: mature research, results
- Short Papers: work-in-progress, new ideas
- Panel proposals

➔ Selection process

➤ Full Papers:

- Every paper had several reviews, was discussed in PC meeting
- Selection of the best papers for the proceedings: 12 over 46 (26%)
- 8 papers considered for presentation

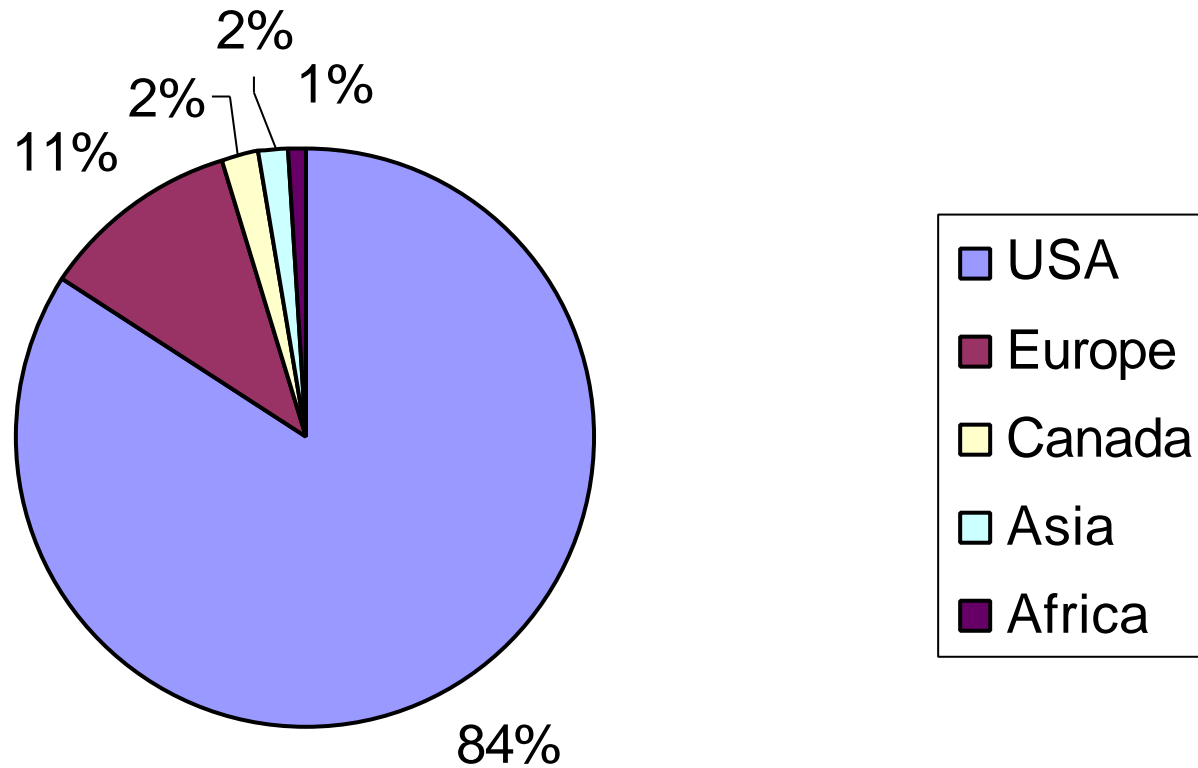

➤ Short papers:

- Same review process than full papers
- Only 1 over 6 accepted for presentation

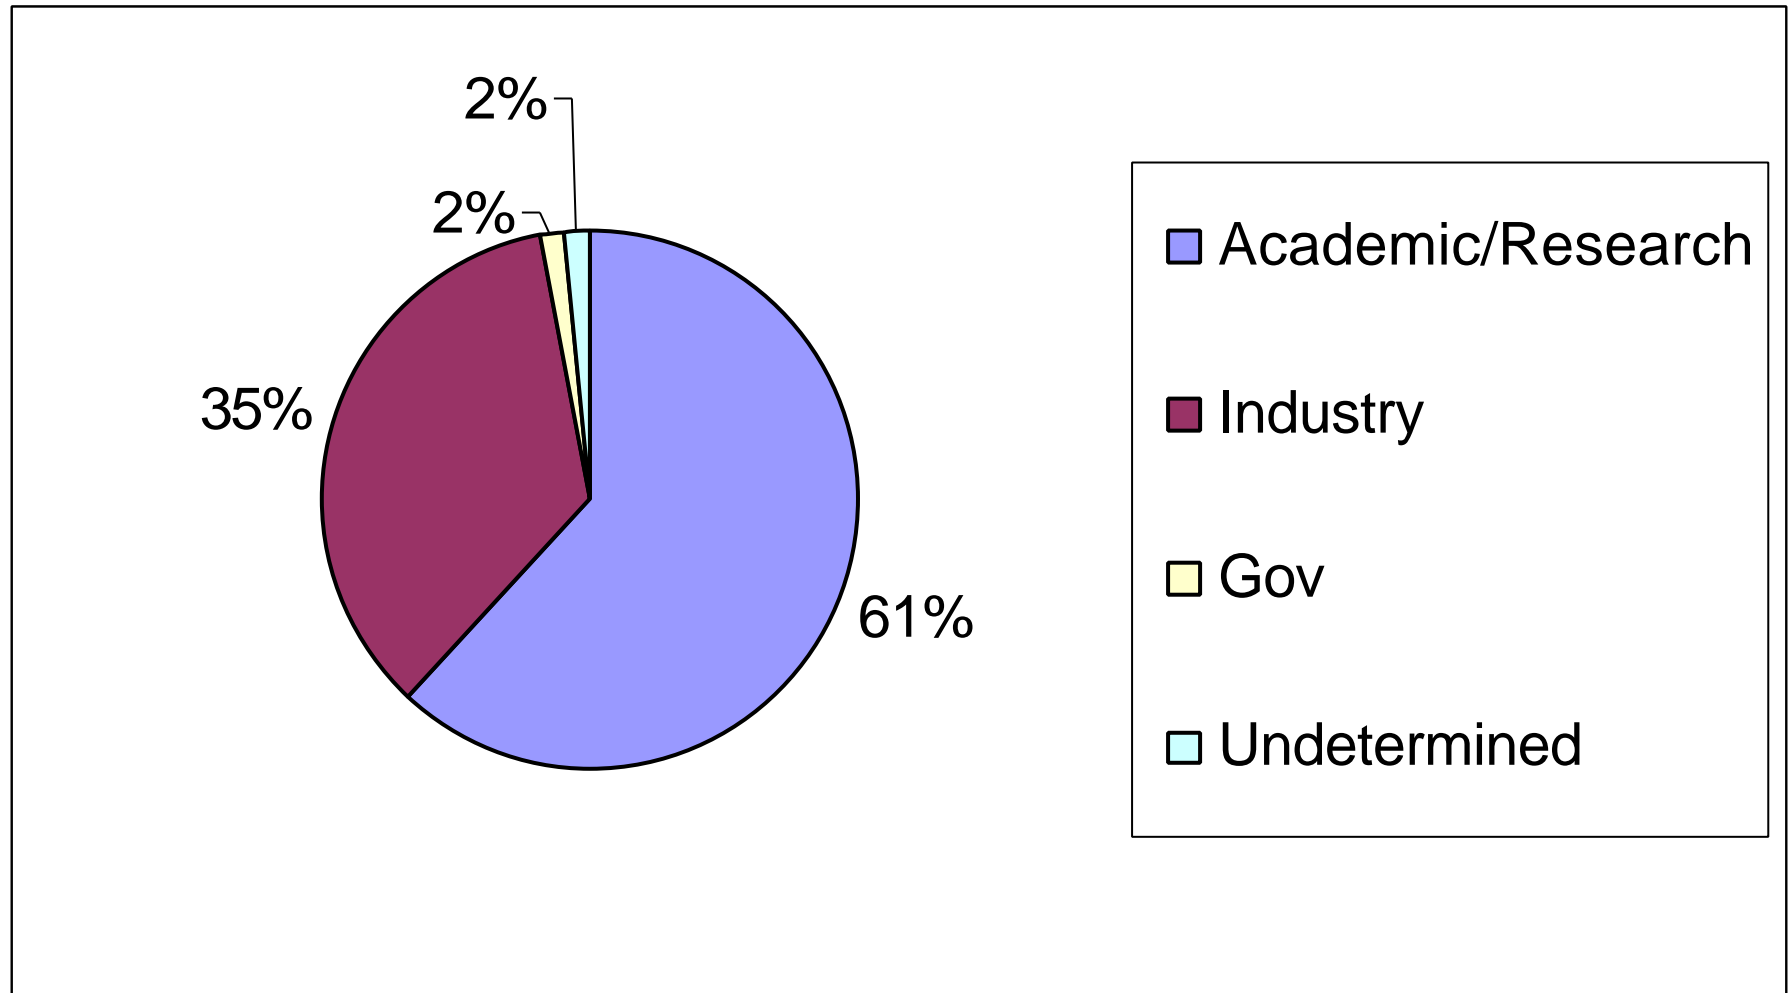

➤ Panels: 3 proposals, space only for 2

➔ Proceedings in Springer Verlag's LNCS serie

RAID 2001 Attendees Origin

RAID 2001 Attendees Interest

RAID 2001: the talks

- ➔ 30 minutes for each of the 21 presentations
 - 20 minutes to present
 - 10 minutes for the questions
 - Same rule for full and short papers
- ➔ 12 papers in the proceedings
- ➔ Other papers (sometimes substantially improved between the review and now) reproduced thanks to UCD
- ➔ 90 minutes for a **potential** keynote speaker
